| Lady Captain's Report read out by Judith Tolcher | <p>This has been an amazing place, in time, to be Lady Captain. The course has gone from good to fantastic in 2019 and many changes for the good have been made. Our greens have been the envy of other golf courses on the island due to the care lavished on them. It has been extremely frustrating in the last weeks that the course has had to be closed. The wettest October ever was responsible for this, we also have to be aware that to continue playing on such a wet course would be foolhardy. Let's hope for dryer weather soon!</p> <p>We have had some exciting team matches against other clubs this year. Our first against La Moye, we narrowly lost. The second against Les Ormes we won convincingly and our 3rd against The Royal, which was played in atrocious weather, we also won. Thank you to all our members who contributed to these matches.</p> <p>Like all Captains I have done my best to serve the club well. Sometimes successfully and other times not so much! My Committee have steered me through the year and have managed to keep me near enough on track, to them I am very grateful, without their help the consequences would and could have been catastrophic!</p> <p>I would also like to thank Nick and John who, despite my constant barrage of inane questions, remained cheerful and barely let their shoulders slump! Sacha has also been most helpful in her new role as Resort General Manager. Tim, has kept the banter going, through thick and thin and I guess if I had been here this evening, he would have had a few words to add! I am sure not all, or if any would have been complimentary!</p> | |

The best part of the year has been getting to know lots of members who I didn't know before, especially during club nights on a Tuesday evening. The camaraderie and fun in the club, I am sure, is second to none and I hope we continue to remain welcoming to all new members.

We cannot all be great golfers but we can all be great members of La Grande Mare, roll on 2020. I would like to take this opportunity to wish Bobbie a happy and successful Captaincy. With all of your support like you gave me, it can't be anything else.
